

Air Force Academy High School

CSA Partners Ltd.
Architects & Urban Designers

Top: Physics Classroom
Bottom: Chemistry Classroom

Context: CSA Partners was hired to address the renovation requirements for this among 4 schools. The school has four 2 classrooms devoted to biology and chemistry, these needed upgrades. A third room needed to be devoted to a physics classroom and a fourth computer lab

Concept: Of the four classrooms, the existing chemistry classroom shall get minor upgrades, while the biology classroom see significant changes. The physics classroom is entirely new, as is the computer lab.
