

Kenwood Academy High School

CSA Partners Ltd.
Architects & Urban Designers

Top: View of Chemistry Classroom

Context: CSA Partners was hired to address the renovation requirements for this among 4 schools. The school explained here is one of the thriving schools that required the urgent need for Science Classrooms

Concept: The three science classrooms shall undergo a gut renovation with complete architectural and MEP upgrades. This will include new floors, ceilings, equipment, furniture, cabinetry; as well coordination with other ongoing projects for access above and below the third floor.
