

Wendell Phillips Academy High School

CSA Partners Ltd.
Architects & Urban Designers

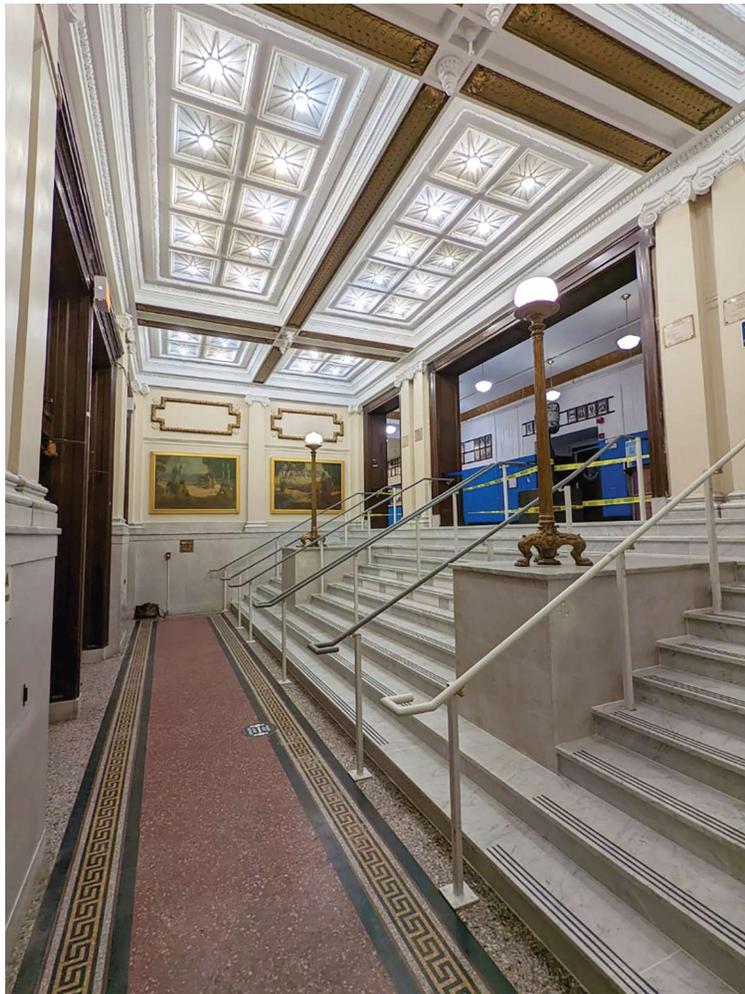

Context: CSA Partners was hired to address the renovation requirements for this among 4 schools. The school is a land-marked building with wonderful exteriors. Our work involves converting one of the rooms to a computer lab. We are also renovating the main historic entry stair

Concept: We have currently designed one classroom as required with significant upgrades and are working on the stairs for the main entry as additional scope of work.
